Adversus Curia Curia  
Wiley Motion & Motion Giller

Edward A. Wright, Roman Bigney &  
Edward Steelman

I O. Skinner of the law firm of  
Morison & Skinner State on oath  
that I am one of the attorneys of deft.  
on the first day of the September term  
of said Court 1848 filed in said Court  
the demurrer of said Steelman to the  
plffs declaration; that I had taken  
the papers in the case to prepare said  
demurrer by, and at the time of filing  
said demurrer, it was with the papers  
at the Clerks desk of said Court & in  
at my seat in Court upon the table;  
that I remember distinctly of presenting  
said demurrer to the Clerk to file  
and of the Clerk informing me that he  
had handed the paper, after the same  
was filed, back to me to put it  
among the papers in said case, I have  
no doubt that I did at the time put  
it with the papers yet, I have no  
distinct recollection about what  
was done in this respect. The filing  
of this demurrer was done in the  
ordinary course of the case and  
of the business of the term and I have  
no knowledge if said demurrer  
ever having been removed or withdr-  
-own from the files in said case nor  
was said demurrer ever abandoned  
by me and further I say not O. Skinner
