I was acquainted with

I worked for him since.

In summer of 1853 plff worked for def't
thru'd in town. plff worked with me
on def't farm. I was getting ten dollars
per month. I thought I was worth as much
as plff I did as much work & I think
rather more than plff did. I asked plff
what he got, said he made no bargain
that defendant supplied provisions &
was to find a girl. plff had three
children & self & wife we had very
good fare that board worth three
dollars per week. Had a girl to
cook for 5 persons in family was worth
\$1.25 per week. def't furnished coffee sugar

def't farm house. The farm house
as furnished worth two hundred dollars
per annum.

girl there most of the time. hired girl

Mrs Cynthia Littlejohn a witness produced
and sworn in behalf of the defendant
who deposes and sworn in substance
as follows viz.

I am acquainted with the

parties, was at defendant's farm tolerably
often while plff was living there,
& lived half a mile off. 1st Ave.
I have been in this state five years
Have been at defts frequently, saw
plff there have seen him riding about
hunting. Defts stock! Chopping wood
& doing nothing at defts, in work day
have seen plff very frequently, sitting
about house of defts been there during
work hours, I have seen plff sitting
around whilst other hands were
at work. Deft always had hired
hands, I know nothing about Plffs work
I have seen plff in defts house and
about it, as to domestic affairs plff
always had a girl & told me deft
knew her & paid her, Plff said
defts aunt found all the provisions
paid some of the hands, complained but
he could not help it that deft furnished
his own house and provisions I heard
plff say plff was at my house a short
about the time of leaving defts for good
in 1858 & in a conversation began by him
he said he had no doubt but what he
owed the defendant, but not as much
as defendant claimed, as deft claimed
four hundred dollars, He owed him something
but not as much as deft said he did.
Plff said he had got all he used
from deft for four or five years,

Plffs family, at time of conversation
was in after house on farm but Plff said
he had quit work Plff told him to quit.
Plff left aft short time after noon, not a
month - I always saw plnt, about aft
house occupied by plffs family, never saw
a scarcity flour meal &c.

Cross I came to this Court, in the fall of 1856.
Made a acquaintance of Plff & aft short
time before Christmas. Commenced
visiting Plffs in winter my visits would
average once or twice, I left furnished
house & provisions for plffs family,
defendant then called his evidence.
Plaintiff in Rebuttal introduced H M
Smith who was sworn as a witness, who
deposes & swears as follows, viz.
I state that Henry M Hughes, now deceased,
on the former trial said that Plaintiff said
that defendant's account was right
Crossed that plffs amount was \$862 and
that \$420 of \$440 was a company account.
Aft brother to wit H M Hughes said he
would not let plff have more goods
unless aft said. Aft said all right he
would pay the company account & charge
to plaintiff, plaintiff had no notice of
this arrangement from him.

And upon the said
evidence so given in behalf of the plaintiff
and the defendant the jury found a verdict
for the plaintiff of nine hundred and eleven

dollars & Eight, five Cents, To which said
finding by the said jury upon the evidence
aforesaid the defendant excepts and prays
that this his Bill of Exceptions, may be signed
& sealed in order to an appeal to the
Supreme Court of the State of Illinois,
Raynie Mulkey & Co. v.
