The Supreme Court

Wm. Smith }
vs. } appeal from Lake
Augustus Scott }
appellor }

Motion to dismiss appeal
because there is not such a judgment as
the Court below as ~~to give~~ will give the
~~plaintiff~~ appellant a right to appeal

There is not a judgment in this
case of over \$20.00 recusal of Court. The
Judgment of the Court below is. That the
motion to quash the fee bill is over ruled

On examination of this case we are
satisfied that even a writ of error would
not lie under the Statute the parties can
remedy being by mandamus.

W. C. Fisher
Att'y for Deft & error

We submit whether or not an award
in the order to allowances of 5 to 10 percent
on the amount of the fee bill
