D. P. Jones
Atty. for Plffs in Error

This is one of two cases decided
at the last term & reported in 25 Ill
pages 43, it being an application by
the city for judgment as real estate
on a special assessment. The other
case was a bill brought by the
Ch. & R. I. R. Co vs the plffs in error
to restrain them from collecting

the assessment The court below
granted the injunction & refused
to render judgment against
the property. The city brought both
causes to this court on writ of
error where the bill was dismissed
& this cause reversed & remanded
but the clerk by mistake entered
a judgment in this case
dismissing the bill & in the
other reversing & remanding
the cause

We ask to have ~~the~~ judgment
in this case reversing & remanding
the cause is ordered by the court
