all that passed from the spot where
he stood. That affiant fully intended
to try said cause & had no idea
that any motion to continue was
made. ^{affiant first had information of said continuance being made after noon} That at the last term of
this court. This case was submitted
by affiant for delay. That afterwards
the submission was set aside and
the cause continued on motion
of plaintiff in error. Affiant can not find
the affidavit but he believes the
cause for continuance was for the
purpose of allowing plaintiff in error
to commit an alleged error in
the record of the proceedings of the
circuit court. That he has not
filed any amended record and
consequently as affiant believes
was in no condition to move for
a continuance of the cause, affiant
has procured a new record filed
it showing an effort on the part of
the plaintiff in error to procure an amended
record of the record in the circuit
court & his failure to do so.

State of Illinois }
Du Page County } ss Du Page County Circuit Court.
April Term A.D. 1857.

James J. R. Seely plaintiff in this suit
by Blanchard and Hobson his Attorneys complains
of the Galena and Chicago Union Rail Road Company
defendants in this suit, of a Plea of Trespass on the
Case.

Ver that whereas the said defendants on the nine-
teenth day of May in the year of our Lord one thousand
and fifty six were, and ever since have been the owners
and proprietors of a certain Rail Road, located in this
State from the east part of said State, to wit from
Chicago in the County of Cook in said State to and into
a certain other place, to wit, Galena in the County of
Joe Davies in said State and passing through the
Towns of Rockford and Cherry Valley in the County of
Winnebago in said State, and are the owners of divers
Rail Road cars for the carriage and conveyance of
passengers upon said Road: And the said plaintiff
saith, that the said defendants on the day and year
aforesaid, were the owners of, and were running and pro-
pelling a certain Train of passenger Cars upon said
Road for the carriage and conveyance of passengers for
certain fare and reward paid to the said defendants in
that behalf.

And the said plaintiff avers that upon said 19th
day of May A.D. 1856, in consideration that the

said plaintiff, at the special instance and request of the said defendants would take a seat in one of the said cars at Rockford County and State aforesaid to Cherry Valley County and State aforesaid, for a certain fare and reward paid to the said defendants therefor by the said plaintiff, they, the said defendants understood and faithfully promised the said plaintiff safely and securely to carry him, in and by said car from Rockford County and State aforesaid to Cherry Valley County and State aforesaid and safely and securely deliver him at the usual place of delivering passengers in said Town of Cherry Valley County and State aforesaid. And the said plaintiff says, that confiding in the undertaking and promise of the defendants, he the said plaintiff did on the said day and year aforesaid engage and take a seat in said car to be conveyed from Rockford County and State aforesaid to Cherry Valley County and State aforesaid, and he did then and there pay to the said defendants a certain fare and reward in this behalf, for the conveyance of said plaintiff from Rockford County and State aforesaid to Cherry Valley County and State aforesaid. And this said plaintiff says that confiding in the promise and undertaking of the said defendants, said plaintiff did become a passenger of the said defendants in said Train of cars to be conveyed from Rockford County and State aforesaid to Cherry Valley County and State aforesaid.

Yet the said defendants not regarding their said promise and undertaking but contriving and intending to injure the said plaintiff, did not safely and securely

carry and deliver the said plaintiff out of said cars at Cherry Valley County and State aforesaid but then and there wholly neglected and refused so to do, but instead thereof by their servants and agents, so carelessly negligently and unskillfully managed said Train of Cars at Cherry Valley County and State aforesaid, that through the carelessness negligence and misconduct of said defendants and their servants and agents, said plaintiff was unable to safely and securely get out of and leave said cars at Cherry Valley County and State aforesaid and the said defendants then and there wholly neglected and refused to stop the motion of the said cars and allow said plaintiff, he being nearly or quite blind a sufficient opportunity, safely and securely to leave said cars, by means of which said plaintiff in endeavoring to leave said cars, fell and was thrown with great violence from said cars between said cars and the platform of the Station house and on to the earth by means of which the said plaintiff was greatly hurt, bruised, wounded and injured in his back, spine, and ribs and divers other parts of his person, and became sick, sore, lame and disordered and so remained from that time, to the present, during all of which time he the said plaintiff has suffered great pain and distress, and by means of which he has become permanently lame and disordered and disabled and has been hindered and prevented from performing, and transacting his necessary business by him before said

time performed and transacted and also he the said plaintiff was forced and obliged to and did necessarily pay, layout and expend large sums of money, to wit, the sum of three hundred dollars in and about the endeavoring to be cured of the bruises, wounds, sickness, soreness, lameness and disorder, aforesaid occasioned as aforesaid, to wit, at the County of Du Page and State aforesaid

For that whereas also on the 19th day of May A.D. 1856 at Rockford in the County of Winnebago State aforesaid, in consideration that the said plaintiff, at the special instance and request of the said defendants, had then and there engaged and taken a seat and place in a certain other car to be conveyed thereby to Cherry Valley County and State aforesaid for certain other fare and reward to the said defendants in that behalf, they, the said defendants then and there undertook and faithfully promised said plaintiff, that due and proper care should be observed and taken in and about the conveying and delivering him said plaintiff as such passenger as aforesaid to Cherry Valley County and State aforesaid. And although, said plaintiff confiding in the last mentioned promise and undertaking of the defendants, afterwards on the day and year aforesaid to wit, at Rockford County and State aforesaid, did become such passenger by the last mentioned car as aforesaid Yet the said defendants not regarding the last mentioned promise and undertaking, yet contriving and fraudulent intending, craftily and subtlety to deceive and defraud and injure said plaintiff in this behalf did not nor

would, cause and procure due and proper care to be observed and taken in and about the conveying and delivering said plaintiff as such passenger as aforesaid to Cherry Valley County and State aforesaid but wholly neglected so to do, and by reason of the carelessness and improper conduct of the said defendants and their agents and servants in that behalf, in and about the conducting and managing of the said last mentioned car at Cherry Valley County and State aforesaid; And the said plaintiff says that although the said defendants did by their agents and servants, then and there stop the motion of the last mentioned car, to wit, Cherry Valley County and State aforesaid, Yet they, the said defendants did not stop the motion of the last mentioned car, a proper, reasonable, and sufficient length of time, to allow the said plaintiff he being nearly or quite blind safely and securely to leave and get out of the said last mentioned car, by reason of which said plaintiff, while endeavoring to leave the said last mentioned car fell and was thrown with great violence between the platform of the station house and said last mentioned car by means of which said plaintiff was greatly hurt, bruised wounded, and injured in his back, spine and ribs and divers other parts of his person, and became sick, sore, lame, and disordered, and so remained from that time to the present, during all which time, he has suffered great pain and torment, and by reason of which the said plaintiff has become permanently lame disordered and disabled

and has been hindered and prevented from performing
and transacting his necessary affairs and business,
which previous to that time he had transacted and
performed, to wit, at the County of DuPage and State
aforesaid

And whereas also on the 19th day of May A.D.
1856 the said defendants were the owners of a certain other
Rail Road, known and called by the name of the Galena
and Chicago Union Rail Road in said State of Illinois,
and running from the City of Chicago in the County
of Cook, to a certain other place in said State, to wit;
the Town of Galena, and passing through divers Towns,
to wit; Rockford and Cherry Valley in the County of
Winnebago and State aforesaid; and then were, and now
are the owners of divers other cars or coaches for the conveyance
of passengers upon said Road; and that the defendants
on the day and year aforesaid, were the owners and
proprietors of and were running and propelling a certain
other train of passenger cars upon said Road for the
conveyance of passengers, for certain other reasonable hire
and reward paid to the said defendants; And the said
plaintiff says, that upon the said 19th day of May
A.D. 1856 at Rockford County and State aforesaid
in consideration that the said plaintiff, at the special
instance and request of said defendants, had then and

there engaged a seat and place by a certain other car,
to be conveyed thereby to Cherry Valley County and
State aforesaid, for certain other reasonable hire and reward
to the defendants in that behalf paid and received, they, the
said defendants then and there undertook and faithfully
promised the said plaintiff that due and proper care should
be observed and taken in and about the conveying and
delivery him said plaintiff, as such passenger as aforesaid
to Cherry Valley County and State aforesaid, and although
said plaintiff, confiding in said last mentioned promise
and undertaking of said defendants, afterwards, to wit,
on the day and year last mentioned, to wit, at Rockford
County and State aforesaid, did become such passenger
by the last mentioned car as aforesaid, yet the said
defendants not regarding their last mentioned promise
and undertakings, but contriving and fraudulently in-
tending craftily and subtlety to deceive and defraud
and injure said plaintiff in this behalf did not or
would not cause and procure due and proper care to
be observed and taken in and about the said conveying
and delivering said plaintiff as such passenger as
aforesaid to Cherry Valley County and State aforesaid,
but wholly neglected so to do, and by reason of the
carelessness negligence and improper conduct of the
said defendants and their agents and servants in
that behalf in and about the conducting and managing
the last mentioned car at Cherry Valley County
and State aforesaid, And the said plaintiff says

that although the said defendants did by their servants and agents then and there stop the motion of the last mentioned car, to wit, at the Station of Cherry Valley County and State aforesaid, to wit, at the usual place for the landing and delivering of passengers at Cherry Valley County and State aforesaid, Yet that, they did not stop the motion of the last mentioned car a proper, reasonable and sufficient length of time, to allow said plaintiff he being blind or nearly so, safely and securely to leave and get out of the said last mentioned car by reason of which said plaintiff while endeavoring to leave the last mentioned car fell and was thrown with great violence between the platforms of the said Station or usual place of landing and delivering of passengers, and said car, and to and upon the ground, by means of which said plaintiff was greatly hurt, bruised, wounded, and injured in his back, spine, and ribs and divers other parts of his person and became sick, sore, lame, and disordered and so remained from that time to the present, during all which time said plaintiff has suffered great pain and torment, and by means of which said plaintiff has become permanently lame and disabled, and has been hindered from performing and transacting his ordinary and necessary affairs and business, by said plaintiff before that time done and performed also by reason of said injury he the said plaintiff was forced and obliged to and did necessarily pay

lay out and expend another large sum of money,
to wit, the sum of three hundred dollars in and
about endeavoring to be cured of the bruises, wounds,
sickness, soreness, limeness, and disorder aforesaid
occasioned as aforesaid, to wit, at Du Page County
aforesaid

Wherefore the said plaintiff saith he is injured
and has sustained damage to the amount of
three thousand dollars and therefore he, said
plaintiff, bring his suit &c,
