

Rockford, 11 April, 1855.

L. Seland, Esq.,
Clerk Sup. Court,
Ottawa,

Dear Sir,

I received to-day your notice for publication in Miller vs. Davidson. It came however too late. I had been obliged to draw a notice myself, and it was inserted in the Rockford Republican, of which I send you a copy, before yours came to hand.

I inclose you a praecipe for a writ of error in Dalmadge vs. Ferguson and others, and an affidavit for the publication of a notice. The notice we have given to-day, as you will see by the paper above mentioned as sent to you, there being no time to get a praecipe for the advertisement from yourself.

Inclosed also is, \$5.00.

Yours truly,

Francis Burnap.
