My dear friend

Your letter containing final
order in the case of the Ohio & Erie R.R. Co
vs Mowen came duly to hand for which
you have my thanks. I called on Bassett
and had him file the final order in the
other case of which I spoke in my last
letter. I have not seen Plankins yet since
court. He is well and I hope will stand up to
the matter of costs in that case I will call his atten-
tion to the subject as soon as I can be
here. You had better make executions for
costs in the case of ~~Le Back~~ vs Sedgwick
and Hilditch & Hays &c

Respectfully Yours friend

Samuel W. May

P.S. Your opponent's will not
be heard of here - that is to say
our people will give you an
unlimited supply of S & S
