PEORIA, Nov. 4, 1850.

Mr. THOS. H. CAMPBELL.—

Gov. FORD died yesterday, at two o'clock, P. M.

W. S. MOSS.

Mr. Thos. H. Campbell Esq., has handed us the above despatch. We regret, indeed, to announce the death of Gov. FORD. This distinguished citizen possessed many excellent qualities, and has held the most elevated public stations in our State. On retiring from the office of Governor, he resided in Peoria,—suffered bad health under the pulmonary disease which has ended his life.—His amiable lady died a few days previous. He has left a family to feel the sympathies of the community and to deplore his death.
